CUSTOMER CONTRACT FILING NOTICE FOR GLOBAL EXPEDITED PACKAGE SERVICES – NON-PUBLISHED RATES 3 SERIAL NUMBERS ENDING: 0001 AND 0002

(January 31, 2012)

In compliance with Order No. 1161,¹ the United States Postal Service gives notice of filing Global Expedited Package Services – Non-Published Rates 3 (GEPS NPR 3) customer agreements with serial numbers ending in 0001 and 0002.² The effective dates for the two agreements filed with this notice are listed below

The Postal Service is filing these two contracts with the Commission under seal.

The two agreements are derived from a common template³ and would appear essentially the same when redacted. Therefore, the Postal Service is filing publicly, as Attachment 1, a representative redacted version of one of these agreements, the

¹ Order No. 1161, Order Approving Postal Service Request to Add Global Expedited Package Services – Non-Published Rates 3 (GEPS – NPR 3) to Competitive Product List, Docket Nos. MC2012-4 and CP2012-8, January 20, 2012, at 7.

CP2012-8, January 20, 2012, at 7.

The full serial number, which contains fields useful to the Postal Service's administration of the contracts, appears on the first page of each contract and in the body of this Notice.

³ The common template is the GEPS – NPR 3 model contract, which was included as Attachment 4 to Request of the United States Postal Service to Add Global Expedited Package Services – Non-Published Rates 3 (GEPS – NPR 3) to the Competitive Products List and Notice of Filing GEPS – NPR 3 Model Contract and Application for Non-Public Treatment of Materials Filed Under Seal, Dockets Nos. MC2012-4 and CP2012-8, December 20, 2011 ("GEPS – NPR 3 Request"). Both of the agreements that are the subject of this notice include an additional Article 34, Conditions Precedent, which does not result in a change in rates. Article 34 was added to each contract because it was necessary for the Postal Service to send GEPS – NPR 3 agreements to these customers prior to January 20, 2012, when the Commission issued Order No. 1161, in order to reduce the possibility of an interruption in service to the customer.

redacted version of the customer agreement with serial number NPR3-FY12-DEC11-N-T6-0001.

The unredacted version of the inputs worksheet that was used to generate customer-specific rate tables for the two agreements for which the Postal Service is providing notice is being filed with the Commission under seal. In addition, the Postal Service is filing publicly with this notice a redacted version of this inputs worksheet.

The Postal Service incorporates by reference the application for non-public treatment that was filed in conjunction with the Postal Service's December 20, 2011, notice in this docket.⁴ The application protects from disclosure the information that has been redacted from the contract and the inputs worksheet that the Postal Service is filing publicly today with this notice. The application also would protect from disclosure similar information in the additional contract that the Postal Service is filing today with the Commission under seal in this docket.
